

Injectors extractor kit

Universal

MADE IN ITALY

Universal kit for injector removal, equipped with pliers and slide hammer

Denso, Bosch, Siemens

Complete Kit

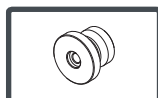

311 184 000

-  ▶ Extractor for injectors **for professional mechanics, car-repair garages or car repair shops.**
-  ▶ This kit allows injector removal with two distinct procedures: use the pliers with holding arms perfectly fitting to the shape of the injector or use the articulated joint adapter and the pivot, that has to be screwed to the fitting of the Common Rail duct
- ▶ This operation may be carried out without disassembling the injector head
-  ▶ **Injectors:** Denso, Bosch, Siemens

Components

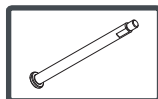

Slide hammer

313 201 004

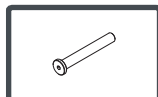

Long sliding rod

313 201 006

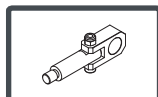

Short sliding rod

313 201 002

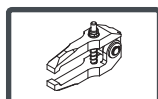

Universal joint

311 154 003

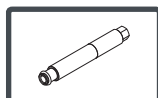

Grab

311 050 009

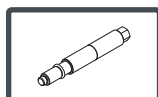

Screw extractor M12x1,5

311 154 001

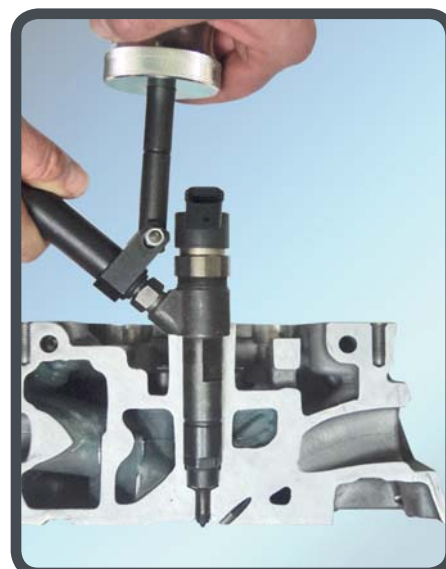

Screw extractor M12x1

311 154 002

Use with pliers

Use with articulated joint
