OBDeleven™

NextGen Device  
USER MANUAL

Smart diagnostic tool to understand  
and improve your vehicle

## IMPORTANT USAGE INSTRUCTIONS

- Do not disassemble the device! Any changes or modifications will void the warranty and the user's ability to operate the equipment.
- All wireless data transferring devices that produce interference may affect other devices that are placed nearby.
- Do not use OBDeleven if it distracts the driver or causes any discomfort due to the OBD-II port's placement. The device must not interfere when driving the vehicle or the driver's ability to do so.
- Please consult representatives of your vehicle's manufacturer regarding the location of the OBD-II port on your car.

## IMPORTANT USAGE INSTRUCTIONS

- The device can be affected by water and humidity.

## ATTENTION!

- The device uses SELV limited power source. The nominal voltage is 12 V DC. The allowed range of the voltage varies between 9 V and 16 V DC.

## RETURN POLICY

- We apply a 14-day return policy. The item must be returned in the original packaging and without any marks of use.
- The hardware or accessories that were purchased online may be opened for inspection (yet not used) and in that case, may be returned for a refund or exchange within the 14-day return period, following the dispatch date.
- Virtual items such as credits, PRO or ULTIMATE subscription can be returned within 30 days if they were not used.
- We are unable to refund postage and packaging costs incurred when returning an unwanted product for international or domestic Lithuanian orders.
- Items bought as part of a bundle, including PRO or ULTIMATE license or credits, hardware, and/or software packs, if returned when the digital content was used, will result in the full price being charged for the other items in the bundle. Your refund will be adjusted accordingly.
- If returning hardware, it must contain all of the components.

## WARRANTY

Voltas IT guarantees that its products are free of any manufacturing defects for 24 months. If a product fails within this specific warranty period, the product can be:

- Repaired;
- Replaced with a new product.

The warranty does not apply when you have purchased the product from an unauthorized reseller, where the instructions of the product were not complied with, or where the product was damaged as a result of abuse, accident, modification, or any other causes beyond our reasonable control. Any replacement product will have a warranty that is equivalent to the remaining original warranty period of 90 calendar days, whichever is longer.

## HOW TO SUBMIT A WARRANTY CLAIM

To obtain warranty service, contact us via the Live Chat on our website or refer to our customer support at **support@obdeleven.com**.

- It is the user's responsibility to safely package the device and the hardware that is being returned, including providing the correct required information such as any information to verify your account
- The user will also be responsible for any shipping and handling charges, in addition to any applicable customs duties, VAT, or other associated taxes or charges when returning the hardware.
- Hardware for which Voltas IT cannot reproduce the claimed issue or for which your purchase cannot be verified will be rejected.
